Bowling Green Assembly's 25th Anniversary Celebration - September 8 -10, 2006

On June 1, 1981, after first being produced in Flint, MI and then St. Louis, MO, the 1st Chevrolet Corvette rolled off the line in Bowling Green, KY. Twenty-five years later, America's automotive icon continues being built in this world-famous plant along with the most recent addition – the Cadillac XLR. Now it's time to celebrate. Join us for a weekend of fun!
